**The Wildlife Sanctuary presents a unique setting for communing with God in a natural environment. Come - discover its beauty!**

A sanctuary can be many things. For some, it is a place where nature is protected, a place for solitude, a safe haven for refuge, or a holy place for reflection. Attleboro Springs Wildlife Sanctuary at La Salette is all these things.

For centuries, this property has been protected by people aware of the powers of the natural world. You'll find in these woods and fields the remains of farm pastures, the Spring House, the Room of Oaks, Solomon's Gardens and Brothers Pond, all bearing evidence of centuries of people connecting to and altering this land, and allowing us to witness how nature has reclaimed it, time and again.
